Yours faithfully,

STATE PORT OFFICER.

Report to accompany the estimate:

3

There are at present only 2 ceiling fans in office, one for the Landing and Shipping and Port Section Clerks and another for the Despatch and typing section and another table Fan for the Head Clerk. The Store Clerk (Upper Division) and the Shed Clerks are accommodated in a separate room and it is considered necessary to install a Ceiling Fan for this section also. The estimate provides for the same and is based upon the local quotation. There is budget provision for the work.

Subject:- Ports - Mangalore - Providing one electric ceiling fan for store section of port office - Estimate.

Ref:-From the S.P.O. No.1598/A/52-1 dt. 7-11-52.

--

The S.P.O. has submitted an estimate for Rs.250/- for the provision of a ceiling fan for the store section of the port office at Mangalore. The ceiling fan is intended for the benefit of the store clerk and the shed clerks.

2.According to para.197(15) of the Port Manual, the S.P.O. can accord administrative approval upto Rs.1,000/- on account of electric installation. in the case of non-residential buildings Though the present estimate is only for Rs.250/-, the S.P.O. has sought the sanction of the Government presumably with reference to the orders in Memo.No. 1444-C/51-3 P.W. dt. 1-5-51 at (K). Attention is also invited to Memo.No.4596-C/50-5 dt. 27-11-50 at (J) wherein it has been ordered that in the case of non-gazetted officers, no provision for fans should be made for residential and non-residential buildings. The instructions at (K) and (J) are applicable to cases wherein the expenditure is met from the State funds. Though the expenditure in the present case is to be met from the State Minor Ports Funds, and not from State funds, the instructions in flags (K) and (J) would seem to be applicable to the present case also. ~~In this view,~~ It is for orders whether the proposal to provide a ceiling fan for the store clerk and the shed clerks at Mangalore will be ~~negatived~~ agreed to as a special case

---

In supersession of Memo.No.5375-C/50-2 dated 5-1-52, the Chief Engineer (Electricity)/The Chief Engineer (General) is informed that the ban on electric installations is not applicable to additions, improvements and alterations to existing electric installations except as regards provision of fans. Subject to this restriction regarding fans the Heads of Departments and Officers of the Public Works Department may continue to exercise the powers already delegated to them in regard to such additions, improvements and alterations. In cases where an estimate already sanctioned by the Government includes provision for electric installation, further sanction of the Government is not necessary except in regard to the provision of additional fans.

SUB: Buildings - Government Buildings - Provision of fans - Orders.

REF: From the C.E. No.6450/Wks.49.3 dated 17-8-1950.

With reference to the several points raised in the reference cited above, the C.E., is informed as follows:-

1. In the case of non-gazetted officers, no provision for fans should be made in the estimates for residential and non-residential buildings.

2. As a matter of general policy the Government do not allow the provision of fans for Government buildings. In individual cases, they have been allowing the provision of fans for Gazetted Officers in offices. The Government consider that in the case of quarters for gazetted officers, it is unnecessary to allow provision of fans even though the quarters may be electrified, as a special case, by making exceptions to the general orders issued in G.O.Ms.No.2967 F.W., dated 1-10-1947 and the fans could be installed at a later date when the financial position of the state improves.

3. In respect of Secretariat buildings, the existing procedure in respect of requisitions from the Chief Secretary and Assistant Secretaries for the provision of fans should be followed subject to the administrative approval of the Government being obtained to the estimates in due course. The question of allowing fans to non-gazetted staff in the Secretariat will be decided in the merits of each case.
